Corporate & Business Donations Help LA-COPS

LA-COPS is a non-profit organization that depends heavily on fund-raisers and corporate donations. Your police officers put their lives on the line daily to protect the citizens of our state. Unfortunately, officers are killed in the line of duty. The officer's family then lives on with the horrible grief of seeing a loved one buried, just for doing his or her job. The job of protecting us!

The LA-COPS peer-support organization helps these family members, friends and fellow officers cope with that grief. The police departments do not fund LA-COPS. We depend solely on fund-raisers and donations. Please consider donating to LA-COPS as a way of thanking the family members and friends of those that made the ultimate sacrifice to protect you and your families.

Your tax-deductible donations can be sent to:
