There is no membership fee to join COPS, for the price paid is already too high!

LA-COPS is a non-profit organization that depends heavily on fund-raisers and donations. Our law enforcement officers put their lives on the line daily to protect the citizens of our state. Unfortunately, officers are killed in the line of duty and the officer's family then lives on with the horrible grief of seeing a loved one buried, just for doing their job. The job of protecting us! In the past 20 years, an average of 5 Louisiana law enforcement officers have made the supreme sacrifice each year.

The LA-COPS peer-support organization helps the family members, friends and fellow officers cope with that grief. We depend solely on fund-raisers and donations. Please consider contributing to LA-COPS as a way of thanking the family members and friends of those that made the ultimate sacrifice.

Your tax-deductible donations can be sent to:
